Welcome to The Big Christmas Press Show 2021 in partnership with LaplandUK

It is so good to be back! We're absolutely buzzing about this year which is set to be the best yet. To get us started, I'd love to share some of our recent highlights with you.

We have rebranded to CIJ Group and have seen a lot of exciting changes across the company and services we provide. We have moved the show from July to September to allow for the changes we have seen across the media landscape, including a shift in focus towards digital coverage and fewer long lead titles. Furthermore, as well as welcoming back some of our long-standing brands & retailers, this year we have even more new names and faces for you to meet!

We have hosted a series of 18 virtual Power Pitching events to connect brands with journalists throughout the year for all key occasions in the retail calendar, including Mother's Day, Black Friday and Easter. We also hosted a series of virtual "Christmas in July" events for long lead titles and launched our first virtual events in the USA.

We're delighted to introduce our show partner, LaplandUK, who will be treating you to a taster of their multimillion-pound ground breaking, immersive production plus an exclusive 24 hour priority access to the September ticket release.

I'd like to give a warm welcome to our charity partner, Make A Wish Foundation, who thanks to your support, will help a wish

come true for a child this Christmas. We have made a donation on behalf of every brand & retailer taking part in the show. We also completed a team abseil for Retail Trust, raising vital funds to support the mental health of those working in retail.

I would like to share my personal thanks for your support over the past year. I know there has been much uncertainty, change and it has been a challenging time for many. As we gather here today, for our big reunion, I'd like to thank you for your patience and loyalty - we are over the moon to be able to meet in person and thank you for joining us.

We love connecting people and building our community, so please come and say hello and stay in touch by joining us on social media @cijgroup and @cijgrouptweets.
